

Donating to the Medway Project

If anyone would like to make a one-off donation (whether using Gift Aid or not) they can do so by sending a cheque to our head office, by bank transfer to: Sort Code: 01-09-51, Account No: 60032030.

For regular donations, would you kindly complete and return the attached standing order form, so that we can assign it a reference number. We will then forward it to your bank. (If you would like to increase the value of your donation using Gift Aid, please see our leaflet: "Donating to Jah-Jireh" for a gift aid declaration)

Please note: If your donation is specifically to be used for our Medway Project, this fund carries with it an 'over and under subscribed' clause, which is as follows:

Under subscribed means: If we don't raise sufficient funds for the project to continue or if for other reasons the project is not able to continue, that the fund will be applied for the general use of the charity.

Over subscribed means: If the above named project is oversubscribed i.e. that we raise more funds than is needed to complete the project, then the excess funds will be used for the general use of the charity.

Our current facilities show the standards we aim to achieve in a Medway Home

A NEW HOME IN MEDWAY, KENT

We know that there is a need to provide similar facilities in the South East of the country to care for elderly brothers & sisters in a location that is accessible to their families.

We have the land, and planning permission to build a care home. Access to the site is already in place. We are now at the stage of raising funds to bring the project to fruition. The home will include all single bedrooms with en-suite facilities, lounges, kitchen, dining facilities, laundry and all the other facilities that are needed in a care home.

You can see that the sums involved will be significant. How soon we can build is really dependent on how soon we can raise the necessary funds. Your prayers in this matter are greatly appreciated.

Jah-Jireh (Charity) Homes currently own and operate three Homes in the North-West of England, and one in South Wales, providing residential and nursing care for permanent and respite residents.
